Two skipped payments are allowed each year. If you choose to skip your payment on more than one loan for any particular month, the skip for all selected loans must occur in that same month. You are permitted to do this twice a year as long as your loans are current and you continue to meet requirements. No First Trust, Second Trust or Home Equity can be skipped. Requests must be received in the Credit Union’s mail office 30 days before the skipped month for processing. All loans must be current. Interest will continue to accrue.

There will be a \$25 Skip-A-Payment fee charge per occurrence.

Please remember that Skip-a-Payment requests require 30 days’ advance notice. If you make your payments through payroll deduction and choose to participate in our skip-a-payment program, then funds will not be deducted from your account. For example, if you choose to skip the December payment, then payment will not be deducted from your account. You will resume payment on the first due date in January.
